- Student
- Assistant
- Affiliate: PTs ONLY → overseas qualified PTs

Undergraduate Study

- Update 2001 Undergraduate Curriculum Recommendations
- Lobby ALL full-time + part-time courses to adopt updated Undergraduate Curriculum Recommendations

Postgraduate Study

- Validate / accredit ‘generalized’ university postgraduate courses (i.e. PG Cert / PG Dip / MSc, etc.) in Exercise Rehabilitation / Therapy, etc.

UNIVERSITY OF WALES
BANGOR

School of Sport, Health & Exercise Sciences

As one of the leading Sports Science Schools in Britain, we are renowned for our research and teaching of the highest quality.

- The only department in the UK judged exemplary for teaching in the UK-wide Teaching Quality Assessment Subject Review (2002)
- 5A rated in the most recent Research Assessment Exercise based on an assessment of all our staff

MSc Exercise Rehabilitation* *subject to validation
A new course (1 year full time/2 years part time) aimed at

- Health, Nursing or Sport Science graduates
- Graduates wishing to position themselves to acquire the planned British Association of Sport and Exercise Sciences (BASES) accreditation of “Sports Science Practitioner” (for those Practitioners working in the field of Exercise Rehabilitation)
- Graduates wishing to pursue a career in research

Get paid to study for your MSc at Bangor
We have 20 European Social Fund** studentships and other bursaries available for all our MSc programmes.

** Applicants for ESF monies must have residential ties to EU objective 1 designated areas in Wales.
Applications for all MSc programmes should be received by 7 July 2006.
